**MY DECISION**

**Immolatory**

We accept Jesus we receive the gift of eternal life and the promise of immortality. When we believe in Jesus we receive the gift of eternal life and the promise of immortality. We are not aware of the passing of time in the realm of death because the believer is no longer able to feel or experience death. The Bible compares death to a sleep more than 50 times. To the believer, death is a peaceful sleep until the return of Jesus. There is no concept of the afterlife or reward system in the Bible. The answer is: death is a peaceful sleep until the return of Jesus.
