good the world is not as it should be. There is much suffering in the world today. The poor, the hungry, the sick, and the oppressed are often forgotten and neglected. This is not the way God designed the world to be. God's ultimate solution to the problem of evil is through the resurrection of Jesus Christ. This event is described in the New Testament of the Bible as the literal defeat of death and the spiritual victory over evil. Through faith in Jesus Christ, we can have hope for a better world, where love and compassion prevail.
